

Suryansh Asati

Video/Graphics Editing • UI/UX Designer • Graphic Design

Gyan Ganga Institute of Technology & Sciences • 2027 Pass out

Projects

WellBeingHub

- We wanted to help people overcome their mental problems without them feeling any sense of judgement
- we built this project majorly in html, css, javascript
- Information about mental health: The site seems to cover topics like stress, anxiety, and potentially other related issues. Access to resources: It likely directs users to other websites, articles, or organizations that provide more in-depth information or support.

Skills Developed: HTML, CSS, Javascript

Achievements/ Extracurricular Activities

- Build With AI- Hackathon- Winner

Skills

C/C++ | HTML | CSS | OOPs | Data Structure | Canva

Education

Gyan Ganga Institute of Technology & Sciences, Bargi Hills, Jabalpur, Madhya Pradesh

B.Tech, Computer Science Engineering (CSE) | 7.62 CGPA

2022 - 2027
